NEWSLETTER No.3. 24th. May, 1977.

Dear all,

This is just a short letter to introduce the enclosed papers.

We held the second Committee meeting of the Sea Touring Committee last Saturday here in Manchester. This meeting was well attended and it went off very well. You will find the minutes of this meeting enclosed. To committee members only I am send a copy of the final Constitution.

There is also a report from Tom Baptie on the 3rd. National Sea Kayak Meet held at Swanage over Easter.

You will no doubt enjoy reading Peter Carter's letter to me dated 2nd. May. Turn the letter over to find drawings of the Dome deck fittings. Why leave it to the 'Aussies' to do most of the writing. Let me include a letter in my next Newsletter from one of our home based members.
